

Dear Friends

my name is **Mario Moraro**, I am a **Senior Storyboard Artist, Storyboard Supervisor** and **Director** working at the moment mainly (although not exclusively) freelance / remote.

I have **supervised** the storyboard on various TV/Streaming series, worked as **Storyboard artist** in many other. I also **Directed** TV Series, short films and commercials.

I can offer a long (30+ Years) experience that ranges from production to animation, storyboard and direction. So I can offer not only artistic but also technical knowledge and skills.

I can speak English, Italian native and basic French.
I'm EU citizen, based in Kilkenny (Ireland) and Milano (Italy).

I have my own studio, fully equipped with main tech equipment, software and hardware, and I can offer a secure, reliable and solid collaboration, according to your needs and budget.

Find hereby attached my CV and contact links.

Thank you a lot for your attention, I would like to get in touch with you and your company for any possible exciting future collaboration.
